

Senior Baby Pictures: **Due January 22nd, 2018!**

The 2017-2018 CHS Yearbook staff is ready for Senior Baby Ads for the Class of 2018; an OPTIONAL opportunity to congratulate your senior student.

This year, we are featuring a new option in addition to the baby photo. If you choose, you can submit a senior photo to go along with the baby photo at no additional cost. Here are the two options:

1. Submit *only* a baby photo (preferably birth through two years of age).
2. Submit a baby photo *and* one senior photo that can be of a freestyle pose but will follow school dress code.

These photos will be featured in the senior baby photo section therefore we will not accept another senior photo unless it accompanies a baby photo.

Baby Photos are \$40. If you choose to submit one baby photo AND a senior photo, the fee remains only \$40!

How to Submit:

Go to www.yearbooksforever.com and follow the prompts:

- Type in Westosha for our school link.
- On the right side of the page click 'Buy Baby Ad'.
- Go through prompts; there is only one photo size available.
- Enter Headline: First and Last name of your child in this section.
- Enter Body Copy: This is a congratulatory message to your graduate.
- The remaining prompts will be for payment information, etc.

Below are examples. **Sizes and layouts are examples only** and may not reflect what is printed in the yearbook.
