

Good Morning

The announcement of the three week closing of schools came late Friday afternoon (3/13/2020) in the state of Wisconsin. As a result, many students may have materials at school that they may need for online learning. Students may come to school Monday March 16th to pick up any materials.

Please enter the main entrance (near the attendance office) to retrieve your materials. Do not enter through the athletic lobby near the gym. The school will be available from 8AM-3PM. You will need to sign in and out as you enter and leave the building.

On Monday we will send you specific instructions for online learning at Central High School. Our teachers are working hard to create an online learning environment that will help students move forward. Please know that even though learning will continue online, it is our expectation that students will continue to have a fantastic educational experience.

Please look for a communication about specifics Monday. As always, please reach out if you have any questions.

Dale Van Keuren

Principal, Westosha Central High School
